Live life comfortably

New from La-Z-Boy are the music chairs. Picture a cosy, high style wing back arm chair and ottoman, or a sleek, modern lounger... the kind of furniture you just want to curl up in. Now add your favourite music, pumped from your mp3 player right into the head rest of your chair. No headphones, no messy wires; just plug and play or use the inbuilt Bluetooth. It doesn't get any easier, or any more comfortable

Australian Made

NES complete home has been trading with and supporting Australian Manufacturers since the 1950's. Unfortunately, they're a dying breed. Yes, they cost a little more than imports, but they last longer, have better warranties and best of all, they keep the jobs and money local. Come see us today about your new Australian Made Lounge, Dining Suite, Entertainment Unit, Outdoor Setting, Bedroom Furniture or Mattress.
