## Amazing Weather!

Since our normal summer is an average of 35C to 45C for weeks on end, the recent stint of beautiful cool breezes and sunny days has been a blessing. Celebrate with outdoor furniture that really lets you take advantage of the balmy days.

Plenty on display with new stock coming soon!

## Valentines Homance

Your home; your haven, your place to unwind and recharge. We all need space and at least a few quiet minutes to ourselves each day and we each find this in our own different ways. It might be a morning coffee on the verandah. Perhaps reading the paper snuggled up in bed. Or maybe just a few minutes on the lounge with the remote all to yourself after a long day. However you choose to find peace, it generally involves the home, and this Valentines, we'd like to help you show your home some love in return with these great special offers.
